	Certificate for operators, groups of operators and exporters in third countries for products to be imported into the European Union as organic products or in-conversion products
Part I: Mandatory elements	

	II.1 Quantity of products
	II.2 Information on the land
ements	II.3 List of premises or units where the activity is performed by the operator or group of operators
optional ele	II.4 Information on the activity or activities carried out by the operator or group of operators and whether the activity is, or the activities are performed for their own purpose or as a subcontractor carrying out the activity or activities for another operator, while the subcontractor remains responsible for the activity or activities performed
	II.5 Information on the activity or activities carried out by the subcontracted third party
I: Specific	II.6 List of subcontractors carrying out an activity or activities for the operator or group of operators for which the operator or group of operators remains responsible as regards organic production and for which it has not transferred that responsibility to the subcontractor
Part II	II.7 Information on the accreditation of the control body in accordance with point (d) of Article 46(2) of Regulation (EU) 2018/848 Name of the accreditation body Hyperlink to the accreditation certificate
	II.8 Other information
